RICHARDS' HOMES REFERENCES AND TESTIMONY:

I have many satisfied customers and feel honored to have worked with each of these families. Below you will read some of their testimonies:

"Daniel Richards is an excellent builder. He is very competent, patient and experienced. We would recommend him to anyone wanting to build a quality custom home." – The Cliftons

"Daniel Richards has built us an absolutely beautiful home! We chose Daniel because of his reputation. We have had other "large" builders build for us in the past, but construction quality was less than desired, cutting corners, and impersonal. Not so with Daniel. Daniel went above and beyond. He is friendly and flexible. We have been in our home for over two years and continue to be impressed with its solid construction and his commitment to quality. It says something when your building relationship turns into a personal friendship. Daniel's reputation came through for us." - The Ellisons

"Richards' Homes' was very professional. We are very pleased with our basement. The attention to detail was especially appreciated. We would refer them to any of our friends and family." – Mr. Swogger

"Mr. Richards was very professional. His work was excellent. I will call him for all my future home projects that require a leader in the home building field. He exercised extreme care with my home and showed compassion in his work hours since my wife was pregnant with twins. I was surprised at how well my daughter's new room looked. My family is thankful for his work. In ending, his business receives the highest ratings in all aspects of work performed!" – Mr. Menninger

"Daniel was a thrill to work with. He was very efficient, professional, and ensured that we got the quality that we were looking for. We will definitely use his services again in the future!" – Mrs. Ashli Tucker

"Mr. Richards was polite, friendly, caring and interested in what he was doing. I couldn't have found a better or more professional person to do my job. I am more than pleased with the work he did and would not hesitate to refer him to anyone else." – Mrs. Edna S.
